

## Sustainability Policy

*Sindhorn Kempinski Hotel Bangkok is committed to achieving best practice environmental and social sustainability and has partnered with EarthCheck, the world's leading Benchmarking and Certification provider.*

An evergreen enclave in Bangkok, Sindhorn Kempinski offers serenity in one of Asia's busiest capitals. A discrete garden sanctuary, every space is a private escape imbued with organic sense of calm. Nestled close to Lumpini Park, Bangkok's green corridor, Sindhorn Kempinski Hotel Bangkok features 274 well-appointed rooms and suites connecting nature and the city. The hotel's facilities include meetings and events rooms, saltwater infinity swimming pool, boutique fitness and integrated spa in addition to food and beverage outlets open to guests and visitors.

At Sindhorn Kempinski Hotel Bangkok, we recognise the activities of the hotel may create a negative impact on the environment and local community if not properly managed. As such we have implemented an Environmental Management System that meets the requirements of the EarthCheck Company Standard.

Sindhorn Kempinski Hotel Bangkok is committed to continual improvement measured by way of annual Benchmarking Assessments. Our team at Sindhorn Kempinski Hotel Bangkok strives towards minimising our footprint on the environment by implementing sustainable initiatives aimed at improving the hotel's performance, reducing the use of Energy and Water and the production of Waste.

Sindhorn Kempinski Hotel Bangkok will comply with all relevant legislation and regulations, and aims to achieve international best practice. We have appointed our EarthCheck Coordinators who have responsibility to ensure continual improvement in environmental and sustainable performance.

Special consideration will be given to employing and empowering local employees, and wherever possible sustainable products and services will be sourced locally in accordance with Fair Trade principles.

We encourage our employees to present our commitment to environmental and social sustainability to all key stakeholders including guests, suppliers and contractors.
